Professional Summary

An organizing, self-motivated, loyal Ph.D. researcher with an ambitious academic profile. I look forward to utilizing my skills and crowning my academic knowledge by joining your esteemed Jordanian university "Jadara University".

Education

Medicinal Chemistry PhD

2020 -2023.

Cairo University (#551-560 in QS Rankings 2023.)

Thesis Title: *Synthesis and antitumor activity screening of certain pyrazolopyrimidine and pyrazolopyridine derivatives.*

Research Publications :

- Allam Heba, Dana M. Odeh, et.al., 2023. "One-Pot Three-Component Synthesis, in Vitro Anticancer Activity and P53-MDM2 Protein-Protein Interaction Inhibition of Novel Spiro-Oxindoline-Based Pyrazolo[3,4-b]Pyridines." *Egyptian Journal of Chemistry.*

- *Synthesis and anticancer activity of novel spiro-oxindoline-based pyrazolo[3,4-b]pyridinesIn.*

Article was submitted to: *Future Medicinal Chemistry Journal.*

Master's Degree in Pharmaceutical Science

GPA: Very good, 2015 - *Applied Science University.*

Bachelor of Pharmacy, 2013 - Philadelphia University.

High School Certificate, 2008 - Scientific Branch.

Courses & Certificates

International Computer Driving License (ICDL) Certificate

The Internet Core Competency Certification (IC3) Certificate

International English Language Testing System (IELTS) Certificate
(Result; 5.5)

German Language Course
In Progress

Advanced Therapeutics Course

Advanced Drug Delivery System Course

Advanced Analysis Course

Advanced Organic Chemistry Course

Cairo University | Advanced Academic Courses
