

Experience

- **2021 – Now:** Assistant Professor and Head of Accreditation Department, Jadara University, Jordan.
- **2011 – 2021:** Senior Lecturer/ Assistant Professor, Asia Pacific University of Technology and Innovation (A.P.U), Malaysia
- **2011 – 2013:** Faculty Research coordinator, Asia Pacific University of Technology and Innovation (A.P.U), Malaysia.
- **2001 – 2003:** Production Engineer and supervisor, NAPCO, Saudi Arabia

Subjects taught

- Information Security Design
- Information Security Architecture
- Network Computer Systems
- Data Centre Infrastructure
- Hardware Software System and Network (1 & 2)
- Microprocessor
- Personal Development and Research Methodology
- Network Troubleshooting
- Networks and Protocols
- Principles of Networks and Network Design
- Research Methods of Computing and Technology
- Introduction to Networking
