📍 Address: Amman & Irbid – Jordan | 🎂 Date of Birth: 23-10-1998

A dedicated researcher and academic in physical education, holding a Master's degree in health and psychological care for athletes, with a specialization in racket sports. I seek an academic educational position where I can apply my expertise in teaching and scientific research to develop advanced programs that enhance the physical and mental health of athletes and the community. I aspire to be an active contributor in training a new generation of professionals who implement best scientific practices in physical activity, mental health.

Education

- **Master's Degree in Physical Education** / Yarmouk University, Jordan. **2021 – 2022**

GPA: Very Good.

Thesis: “The Level of Health and Psychological Care Provided to the Jordanian National Teams of Racket Games from Their Point of View”

- **Bachelor's Degree in Physical Education** / Yarmouk University, Jordan. **2017 – 2021**

GPA: Very Good.

Work Experience

- ✓ **Lecturer in Physical Education** **Oct 2025 – present**

Jadara University – Faculty of Physical Education, Irbid, Jordan.

- ✓ **Part-time Lecturer** **Mar 2025 – Jul 2025**

Jadara University – Faculty of Physical Education, Irbid, Jordan.

- Delivered academic lectures and supervised coursework in various sports science subjects.
 - Assisted in curriculum development and fostered active student engagement in both theoretical and practical sessions.
 - Provided academic guidance and support to students in their research and field projects.
- Contributed to organizing university events, workshops, and sports-related activities.

- ✓ **Government services Officer** **Aug 2024 - Jan 2025**

- Ministry of Digital Economy and Entrepreneurship, Jordan.
- Supported the rollout and activation of digital identity services for Jordanian citizens.
- Served as a liaison between citizens and government platforms to improve accessibility and user experience.
- Resolved technical issues and provided user guidance through digital systems.
- Promoted digital literacy and awareness during national service campaigns.

- ✓ **School football player (athletic excellence)** **January 2015 - January 2016**

- Ministry of Education / Directorate - Level Team, Jordan.
- Selected for the school and directorate football team based on performance and commitment.
- Represented the school in national-level tournaments, promoting teamwork and discipline.
- Developed athletic skills, leadership, and sportsmanship through structured training and matches.

Research and Conferences and Scientific Memberships

- **Membership of the Arab Society for Biomechanics and Locomotor Behavior since March 2023.**
- **Published Research:**
 - Principal Researcher of the study titled: “**The Level of Healthcare Provided to Jordanian National Racket Team Players**” ‘Published in Rawafed Journal, July 2023. This research is derived from my Master’s thesis and evaluates the quality of healthcare services provided to national racket sports athletes, offering recommendations to enhance their performance and well-being.
 - Contributor to the research titled: “**The Effect of Physical Activities and Massage on Quality of Life for a Girl with Cerebral Palsy**” ‘Presented at the International Yarmouk Conference, May 2023.
 - Principal Researcher of the paper titled: “**Influence of Fitness Trainers on Mental Health of Health Club Members in Irbid**” ‘Presented at the International Jadara Conference, May 2025.

Courses

- **Physiotherapy** – Queen Rania Center
- **ICDL** – Computer Skills.
