

MOHAMMAD AL- ARMAN

0795507966 | mohdabbadii99@gmail.com

Amman, Jordan

Recently graduated with an MSc in Cosmetic Science. Highly skilled in cosmetics chemistry and proficient in formulating various cosmetic products. Expertise includes formulation development and efficacy evaluation. Before pursuing my master's degree, I gained 6 months of experience training as a pharmacist in the community alongside all aspects of pharmacy management. Additionally, I worked as a part-time lecturer, teaching key subjects in cosmetic sciences. Seeking a challenging position with a progressive company, where there is an opportunity for growth and creativity, and where I can enhance my knowledge and skills.
