

Dr. Ali Matar: Contact: amatar@jadara.edu.jo +962795256679.

Associate Professor in Finance & Dean of Scientific Research
Department: Financial Technology, Jadara University, Jordan.
Senior Fellowship (Advanced HE, UK), Fellowship reference:
PR266175

Summary

Highly competent in assessing and evaluating the students' performance and implementing need-based lesson plans to address the weak areas. I am a diligent professional who has been consistently praised as diligent by my co-workers and management. Over the course of my 15-year career, I've developed a skill set directly relevant to the associate professor in finance role, including capital budgets, finance & portfolio management acquisitions & divestitures, advanced financial management, financial derivatives and markets, banking and insurance, and financial analysis. Overall, I have consistently demonstrated communication, analytical, and research abilities in every aspect of my assistant professor, deputy dean of scientific research & graduate studies, and head of department role at Jadara University for three years and three years as dean of scientific research besides of my experience as researcher. I am inviting you to review my detailed achievements in this resume. Currently am the HOD of accounting & finance at Applied Science University / Bahrain since September 2022.

Experiences

Dean of Scientific Research
Oct. 2024 - Present

Jadara University/ Irbid, Jordan

Manage the deanship annual budget and the university journal. Executing the university's policy regarding various scientific publications. Following-up university activities in the field of scientific research outside the university and opening channels of communication with various scientific research institutions. In addition, prepare various kinds of training courses to develop the scientific research skills for university academic staff.

Head of Accounting & Finance

Sept. 2022 – Sept.2024:

Manage the academic, research and administrative affairs and activities of the academic department in a manner that will ensure the proper functioning of teaching and administrative processes. Prepare the courses that will be included into the students' study plan. Distribute the teaching and research duties, and other academic tasks among the faculty staff, and determine teaching loads for each semester. Implement the policies of the College Council and handle matters relating to graduate studies, research, and other academic duties. Monitor and evaluate the performance of department's staff and faculty members. Prepare annual and quarterly reports on the department performance, which will be submitted to the Dean. Organize and oversee the exams in coordination with the appropriate committees and concerned bodies. Develop the department to be in line with the best practices in teaching, research, and management. Encourage utilizing the intellectual skills of staff in research. Provide supervision for and assistance in preparing marketing materials for the department programs, such as brochures, leaflets, and posters, in coordination with the Marketing and Public Affairs Directorate. Chair the Department Council and discuss matters relating to department faculty, administrative staff and students, and submit recommendations and reports to the Dean. Supervise the faculty and administrative staff of the department and monitor their commitment to lectures, office working hours, official working hours and the application of appropriate regulations and instructions.

AWARDED CERTIFICATES

ELSEVIER

Thank you for being a reviewer

Dear Ali Matar,

The exceptional developments of last year reconfirmed the critical importance of peer review and we want to express our gratitude for your work as a referee.

Without your tireless efforts, it would have been impossible to publish so many high-quality papers that have advanced human knowledge in this uncertain time. And without your dedication, we would never have been able to share those findings as rapidly.

Once again, thank you for your ongoing support. Let us close by sending our very best regards to you and your family and wishing you well for the year ahead.

With best wishes,

Elsevier Reviewer Experience Team
